

# EA Self-Rotating Spray Nozzles Stainless Steel & Plastic Versions

EA

EA series nozzles are very compact and designed for cleaning process in small bore or small size of containers. The rotary motion allows it to clean the vessels effectively. It is available in all grade of stainless steel material and also available in plastics like PTFE along with several spray angles.

Coverage Type	Spray Angle
B	180°
D	270°
E	360°
